## **GILDED MIRRORS -- LIMITED PRODUCT WARRANTY**

Gilded Mirrors, Inc. ("Gilded Mirrors") provides a limited warranty on our float glass mirrors for a period of one year from the original purchaser's date of purchase. Gilded Mirrors warrants that our float glass mirrors will be free of black edge defects resulting from improper production. This warranty extends only to the immediate customer of Gilded Mirrors and to no other person or entity.

This Limited Warranty shall be void if the mirror product is:

- Improperly installed including, but not limited to, the use of a non-mirror approved adhesive;
- Exposed to foreign materials or solutions such as, but not limited to, cleaning products or painted walls;
- Mishandled;
- Broken;
- Subject to standing water or other liquids (frequently the case if installed directly as a backsplash); or
- Exposed to abnormal or outdoor elements.

The purchaser's sole remedy and Gilded Mirrors' sole responsibility with respect to any product which is defective under this warranty shall be at Gilded Mirror's option of:

- Replacement of such product without charge (F.O.B. customer's place of business); or
- Refund of the purchase price thereof.

In no event shall Gilded Mirrors be liable for any labor expended by others on any such mirrors, any other costs incurred in the removal of defective mirrors, or any other incidental or consequential damages.

Gilded Mirrors reserves the right to have any mirror reported as being defective under this warranty field inspected by a qualified factory representative and returned to the factory.

This warranty does not apply to replacement units beyond the period applying to the original unit.

No employee, agent, representative, distributor, or seller has the authority to change or modify this warranty either verbally or in writing.

We certify that all mirror products manufactured by Gilded Mirrors are silvered with a uniform coat of tin, silver, copper, and further protected by two coats of paint.

Our mirror products are manufactured with flat glass that meets or exceeds ASTM C1503-01 and ASTM C1036-01 Standard Specifications for silvered flat glass mirrors.

Acceptable rejects are those noticeable under normal viewing conditions, defined as:

- Regular fixed lighting;
- Viewing distance of three (3) feet or more; and
- Viewing angle of 30 to 90 degrees.

This warranty contained herein is in lieu of all other warranties, either expressed or implied, including all warranties of merchantability or fitness for a particular purpose, which warranties are hereby expressly disclaimed.
